Dear Mr. Mooney:

On behalf of the more than 1,800 members of the Transportation Intermediaries Association (TIA) and 160,000 members of the Owner-Operator Independent Drivers Association (OOIDA), we cannot thank you enough for postponing the International Road Check Program which was scheduled for May 5-7, 2020.

Your decision to postpone the International Road Check will ensure that truck drivers can continue to operate without restrictions to ensure that food, medical supplies and other emergency products needed to combat the COVID-19 crisis get to their end destination as efficiently and safely as possible without delay.

On behalf of our organizations, thank you for understanding that we need to ensure that trucks continue to keep rolling on our nation's highways.

Sincerely,
